If you are scheduled for a MAMMOGRAM, please follow the instructions below:

**BRING YOUR DOCTOR'S ORDER! Do not use any creams, powders, perfumes or deodorant from your neck to your waist.**

Within two weeks of having your mammogram, you will receive a letter in the mail, informing you of your results. Your doctor will also receive the complete report of your exam.

On occasion, you might receive a call from our mammography coordinator to return for additional testing. This might include more images of your breast, and possibly an ultrasound of the breast.

The reasons for a return visit vary, and the coordinator will discuss them with you. For specific questions relating to mammography, please call the **MAMMOGRAPHY DEPARTMENT** at **708-229-6555.**
